It's about the peaceful surrounds, the privacy, the outlook over the hardwood trees, no noisy roads and the abundance of wildlife that call this great area home. Just picture yourself sitting on the front hardwood deck of a late afternoon, the sun's setting and the lorikeets are flying by and all your worries for the day are gone. The property is set on a stunning 7000m² of land, fully fenced and gated with the home set right at the back for complete privacy. As you drive up the driveway you come to the home with large under roof front deck perfect for entertaining or resting up after a hard day at the office. There is a secondary deck to the bedroom with sliding door access. The home is open plan living with modern kitchen gas cook top and electric oven, ceiling fans and A/C. The living area is large for the size of the home, with plenty of room for your larger furniture and entertainment unit. CCTV System has been installed and a Starlink Dish for uninterrupted internet reception. The bathroom is a really good size and again modern in Décor. Laundry nook and linen. The bedroom is huge!
