With its soaring cathedral ceilings and a verandah encircling the whole house, 83 Centenary Road has a lot to offer and should definitely be at the top of your "to inspect" list! Set amongst 20 acres of native woodlands, and originally built in 1981, the home has been lovingly and extensively renovated by the current owners over recent years and now provides a stunning light and airy home away from the hustle and bustle. It is situated on the outskirts of Goombungee, a quiet country township just a 15 minute drive North-West of Highfields with a local primary school, doctors, pharmacy, hotel, cafes and local shopping. With neutral tones throughout, and huge open plan living spaces, you really can just move in and enjoy your new home! The house features: Air conditioned master bedroom with ensuite and walk-in wardrobe Three further bedrooms with built-ins Open plan living and dining with a wood heater for cosy winter evenings Kitchen with electric cooking, Smeg dishwasher and a huge walk-in pantry Massive games room Family bathroom with bath and shower cubicle, plus separate toilet Walk-in linen cupboard Ceiling fans throughout Mains power and electric hot water system, 6.5kw solar system on shed Satellite NBN Wraparound verandah on which to sip a coffee or wine as you watch the native birds and wildlife The property features: Delightful easy care garden beds and a lawned area Shed - 12m x 7m with concrete floor and three roller doors, solar power array Water - 2 x 5,500gallon and 1 x 3,000gallon rainwater tanks 20.2 Acres (8.19 Hectares) of native woodland For more information, or to arrange your private inspection, contact Hampton Real Estate.
