This lovely home has been renovated and is move in ready. Offering neutral, modern and freshly painted decor, new floor and window coverings with a light and bright kitchen and bathroom AND the added bonus of a second shower and toilet in the laundry. With 4 bedrooms all with split a/c and 3 with built ins, there's room for all the family. A huge patio runs the length of the home and overlooks the fully fenced rear yard providing plenty of space to entertain, kids to play and room to park a car undercover. The 892sqm block also offers a huge shed with concrete floor and double roller door access, a perfect workshop providing secure parking. With the added features of air conditioning, security screens, ceiling fans, solar system, solar hot water and stainless steel appliances, you have yourself an incredibly priced home requiring no work at all. Be sure to call today and book your inspection!
