What an opportunity to buy right in the heart of Warrnambool! This charming home has some fantastic features that you won't want to miss. Behind the private front yard and through the front door, you will find 3 bedrooms, master with ensuite and walk in robe, large separate living room that leads out to the unique sunroom that you can use all year around and lets ample light through to the adjoining kitchen and dining space. There is a real sense of space with the 10' ceilings and plenty of scope to add you own touches. With plenty of storage outside with a carport area along with lock up garage, office and workshop space. Only a 2 minute walk to the main street for all your shopping and dining needs or head down to the beach and leave the car at home. It is all on offer at this beautiful property.
