Resort style living on 2 acres of professionally designed gardens with a home to enjoy as is, or renovate to make this property a standout estate. This beautiful property has been laid out to encompass all of the best reasons to live on the Sunshine Coast. The home faces north with great entertaining spaces that look over the property. From the decks you can admire the landscaped grounds that go down to the back of the property and look over the creek and natural rainforest back drop. Your hardest decision will be where to sit to capture the many different vistas and the grounds have to offer! The house itself has been renovated and is a comfortable 3 bedroom, 2 bath home with extended kitchen and timber floors. For those wanting to value add you could further upgrade the home to be on par with properties of a much higher price bracket. This is a must see property so do not hesitate to book in an inspection to really appreciate this property! It's like living on holiday, you will never want to leave! Property features • North facing fabulous pool entertaining area.* Incredible gardens • Comfortable 3 bed 2 bath home. • Possible small wedding venue. • Extra large garage and potting shed. • Dam with irrigation. • 3 phase power.
