Step into the charm of mid-century living with this delightful 3-bedroom, 1-bathroom brick veneer home that exudes character and potential. -?As you enter through the wide entrance veranda, envision relaxing on the front porch screened by established planting. -?The home has been primed for renovations, with the removal of carpet revealing floorboards underneath perfect for polishing. -?The lounge room is spacious and includes a gas heater, evaporative cooling also features throughout. -?There is a modern kitchen with electric cooking and loads of storage space, connected with the dining area. -?The bathroom retains vintage appeal with shower, bath and vanity unit. -?Adding functionality to the layout, there is a large laundry and separate toilet, along with covered back veranda. -?The private gardens surrounding the property present an opportunity for your green thumb to shine, with the potential for a rejuvenated and landscaped outdoor oasis. -?A standout feature is the spacious garage, perfect for housing up to 4 cars, pursuing hobbies, or providing ample storage space. Further off street parking is provided in the wide driveway. Convenience is at your doorstep with close proximity to schools, a pub, and a general store. Don't miss the opportunity to make this mid-century gem your own, where the potential for a stylish, modernized home awaits. Embrace the charm, embark on renovations, and create a living space that reflects your unique style.
