All three bedrooms have polished timber floors and built-in wardrobes, with the main bedroom enjoying air-conditioning and serene rural views. A huge extra room downstairs is also air-conditioned and could be used as a teenager's retreat, games room, rumpus or even a work from home space. The tiled dining and living area is air conditioned and leads to the back timber deck, where you can relax, unwind and gaze over the country scenery. The 6 x 6m shed is every man's dream while still leaving plenty of yard for the kids to play safely with room left over for a pool if you so desire.
