This property is utterly charming and centrally located in a quiet Greenslopes street. Offering a worker's cottage facade with a stylish renovated interior, this home is set on a leafy block and has a generous fenced yard to enjoy. This lovely home offers character features including picture rails, high ceilings and a large rear deck to enjoy the city views. Surprisingly generous in its layout, you will also find modern fittings, including an up-to-date kitchen and double french doors to the rear deck. Enjoy two generous bedrooms as well as a sunroom which could double as a study or dining room. With easy access to the freeway, getting around town is very simple. Also close by are major hospitals, Stones Corner's bustling dining scene and the local express busway.
