Radiating timeless design, this gorgeous quaint residence is graced with captivating interiors over dual levels. Strategically designed with a compact yet functional floor plan, the circa mid 90's constructed cedar and iron home sports accommodation of 4 bedrooms and 2 bathrooms incorporating family room, semi-formal dining and truly fabulous kitchen. Cleverly positioned on a cascading 1569sqm allotment, the extensive utilization of natural timbers including solid timber flooring ensuring a harmonious aura with its natural surrounds. With a sweeping West South West aspect with substantial entertaining decking is complimented with a lovely above ground swimming pool ensuring endless days and evening of fun spent with family and friends...
