\$660,000 - \$726,000

SALE BY SET DATE ENDING TUESDAY 2ND JULY AT 11AM(unless sold prior)If you are looking for a home with that extra space to stretch into and enjoy, then look no further than this exciting opportunity on Ross St! Sitting in a terrific, elevated position in a very modern pocket of Dandenong, opposite the Tafe College, and right alongside the Dandenong Creek Trail, this is a superb family opportunity not to be missed. The home is substantial and comprises a very large lounge dining area off the entry foyer at the front of the home. Beyond this vast space toward the rear of the home you enter the kitchen and beyond. A spacious meals area sits alongside the kitchen and then a further family living space stretches out before you, providing a further area to enjoy. Along the right-hand side of the home as you enter lies the bedroom zone. The master bedroom is positioned at the front of the home and is complete with walk in robe and its very own ensuite. A hallway which is accessed from the meals area toward the rear of the home provides access to the spacious further two bedrooms, both with generous built in robes. Situated between the bedrooms lies the family bathroom, separate toilet and laundry. There is ducted heating in the home for warmth. A sliding door from the meals area leads to the spacious rear yard with a large concrete pad positioned behind the large double garage. Whilst the garage and wide driveway at the front of the home provide plenty of space for cars, this area, accessible by a roll-a-door at the rear of the garage is an ideal place to park trailers, a campervan or any other vehicles. The large accessway from the garage unlocks the potential of the large rear yard providing a great secure place to store recreational vehicles. Value packed and priced attractively this is bound to sell fast so don't delay in inspecting this home! Photo I.D. required at all inspections. **DISCLAIMER:** The measurements provided of the land and / or property may not be 100% accurate. In order to satisfy yourself of the exact dimensions of the property / land / or of each room, we advise you to conduct your own measurements and / or engage the services of a licensed surveyor.
