\$772,000

Ideally positioned off Thomas Street behind a wall of trees. This newly renovated family home blends character-infused old world charm with modern conveniences. Situated on a low maintenance corner block, this weatherboard property retains its traditional features such as leadlight windows and decorative high ceilings. The open plan living area, complete with an ornate fireplace, includes a modern kitchen with gas cooktop and stainless steel appliances. The property is located just moments from the heart of Wallsend and the shopping convenience of Stockland Jesmond. John Hunter Hospital and Newcastle University are an easy commute. Easy access to Newcastle Link Road makes traveling to Sydney, the Hunter Valley and the Mid-North Coast hassle-free. - Three spacious bedrooms with a built-in robe- Large open plan living, kitchen and dining area with air conditioning - Spacious modern kitchen with coffee station and pantry- Beautifully designed bathroom combining separate bath and shower- Single carport with space for an additional off-street car park
