So. Much. Storage. The Los Angeles was designed with heaps of storage to help keep your home organised and make your life easier! The master suite includes a double walk-in robe, so you'll have enough space for your winter and summer wardrobes. Plus, the minor bedrooms have plenty of wardrobe space, perfect for a growing family - or just a place to house your online shopping addiction and knick knacks. Moving through the home, the kitchen has a walk-in pantry tucked away to keep any mess out of sight of the open plan living. To the other side of the kitchen, the laundry has a large linen cupboard to make wash-day easier. You'll be thankful for all that storage when you start entertaining in the large open plan living and alfresco or hosting movie nights in the large theatre.*Easystart Homes, a part of Summit Homes Group, is a family-owned builder in WA for 45+ years. 2-time WA Project Builder of the Year (2021 and 2022) by Master Builder Housing Excellence Awards and 3-time WA Professional Major Builder by the Housing Industry Association (2022, 2021 and 2020).
