AUCTION

AUCTION ON SITE - 11:00AM ON 11TH APRIL, 2024 Privately nestled away and secluded from the street, this is a once in a lifetime opportunity to secure one of the largest privately owned parcels in the Mulgoa valley. Held in the same family for over 25 years, this breathtaking 42-hectare (104 acres) estate needs to be seen to be truly appreciated. As you meander up, the driveway guides you to another world of immense natural beauty. With the main residence set back 500 metres from the road, the sense of grandeur and the complete privacy this property offers overwhelms you. Positioned beyond a picturesque 2 acre dam, the grand country homestead offers all the creature comforts you would need. As with all country residences, the kitchen really is the heart of this home. With 3m high ceilings, enormous wraparound verandahs, open country kitchen with multiple living spaces scattered throughout, and offering four huge double bedrooms. Linked to the main residence by the grand turning circle, there is a recently constructed recycled brick 'barn' offering multiple zones. Oversized garaging for four cars is complemented by a huge cathedral ceiling workshop with high clearance for tractor or truck storage and maintenance. Upstairs, a mezzanine provides further storage for the workshop, whilst an adjoining loft space offers a blank canvas for the new custodians to style. With endless possibilities this estate offers tranquil living for those looking to enjoy it all year round or the perfect weekend escape for those waiting to get out of the hustle and bustle. The opportunity to secure a property of this size and calibre has not presented itself in this region before. To arrange your private tour, contact Bradley Millevoi on 0402 209 983 today.
