Hard to find large acreage all set up for weekender lifestyle or base for trucks, business, etc. Features include 152 acres. Scheme water connected. Power runs through property but not connected. 2 bed 2 bath transportable accommodation connected to water and gas hot water system. No power connected generator required. Open plan style kitchen and shade shelters. Lock up workshop. Tractor included (AS IS). Great lifestyle property with many potential uses - 4wd driving, quad bikes, horses, truck base, what say you?? Highway frontage for easy access or potential business usage. For inspection call Mike 0403268158 please don't text or email enquiries they may not be answered please phone would be very much appreciated
