Bennett Property would like to exclusively welcome you to "The Chateau" - a quintessential country manor, full of charm and timeless appeal, set in the beautiful Kurrajong foot hills. This grand two storey home is situated high on the hill overlooking picturesque acres which provide breath taking views and accommodates for the larger or extended family with second self contained cottage. The property is set on 11.5 acres (approx) and has quality fittings and fixtures throughout the entire homestead/s, consistent with the Grand Georgian design. The main house consists of three large living areas, home office, formal lounge, slow-combustion fireplace, ducted air conditioning, decorative cornices and skirting boards, high ceilings with ornate ceiling roses, plantation shutters and freshly painted throughout - last but not least - a Chandelier (or two) in every room! The brand new kitchen creates a magical space with sparkling stone bench tops, completely sun drenched with natural light (4 large skylights), extravagant fixtures and high-end appliances. The storage options are unlimited and have the added bonus of enormous walk in pantry. All bedrooms are located on the second floor, soaking in property views and surrounds. The rooms are exceedingly large with built-in robes and master has his and hers walk in robe and boasting lavish ensuite and double french doors. All bathrooms are recently renovated with modern luxury decor and style. The second cottage ties in beautifully with all fixtures and fittings mirroring the main house. Two fantastic sized bedrooms, stylish kitchen, European laundry, storage and private courtyard with undercover sitting area - ideal in-law accommodation/guest house or potential for home office - perfect for working from home. Entertaining will be sure to impress with several different areas to occupy and a magnificent in ground solar heated pool surrounded by sandstone walls and flagging. The property is also suitable for horses/livestock with established fencing and paddocks (mostly arable) and rustic Heritage style timber barn with loft. The property backs onto Little Wheeny Creek, access to additional water or explore the pristine surrounds. Only a short drive to Kurrajong Village, this beautiful homestead is located down a long bitumen driveway with automatic gates - offering complete peace and privacy. This is your opportunity to own a truly wonderful homestead in one of the finest suburbs the Hawkesbury has to offer.
