Offering the ultimate retirement lifestyle with surety of freehold ownership, the best of independent living awaits you at Village Green. A pleasure to inspect and own, unit 84 presents like new. Featuring a neutral palette it has a welcoming ambience with a focus on easy living, creating the ideal place to downsize and call home. Light filled and efficient, the floorplan offers an exception of space rarely found in units. Complete with fresh new carpets, ducted air conditioning & vacuum system throughout, it is a first class offering. Capped off with a superb king size master bedroom with ensuite, it also has the benefit of being two way for second bedroom access as well as a second toilet / powder room for convenience. Another well thought out addition is the abundance of storage achieved within the extended garage. Private, sunny courtyard at the entry together with the paved alfresco at the rear provide a choice of outdoor living zones to enjoy a Queensland lifestyle, catch the breezes or watch the evening sunsets. Instant shelter is also included with the Vergola system creating comfort and year-round liveability to the outdoor spaces, while enabling natural ventilation, light and temperature control. Situated in a desirable neighbourhood, walking distance through Tom Rickards Park to the much favoured Buderim Village, where you can enjoy an array of coffee shops, cafes, and general shopping. Public transport is accessible at the front of the complex making everyday living a breeze. Village Green is a very affordable and secure place to call home with no complicated leases, on site management or resort facilities making retirement living enjoyable.
