Perched on a 556sqm block sits this captivating 2-storey property and it is by far, a stand out in town, you won't see this classy, sophisticated, neat and tidy styling very often, if ever. A showcase home to say the very least. The home comprises a magnificent 4 bedroom, 2 bathroom layout with a single-car garage and an additional driveway offering 4 meter wide side access, perfect for your boat or motorhome. This residence underwent a major renovation, resulting in an extremely modern and stylish design that keeps up with the latest trends. Outstanding craftsmanship is evident throughout, with features that include an upstairs east-facing balcony with glass balustrades, offering adequate ocean views, while a west-facing balcony showcases the picturesque Gloucester hinterlands. Perfect for wasting time watching the westly storms roll in. The heart of this home is the massive butler's pantry and kitchen, a true masterpiece, featuring a stunning large new white design with stone bench tops, gas cooktop, sleek stainless steel modern appliances and fittings, and loads of storage throughout, surrounded by stunning distant views whichever way you turn, perfectly integrated into the upper level's open-plan layout, creating a space that's as functional as it is aesthetically pleasing, seamlessly connected to multiple living areas. The upstairs interior showcases a harmonious blend of white floor tiles, Blackbutt timber floorboards, and soft carpeted bedrooms, creating a unique and inviting atmosphere, with square set ceilings and sparkling downlighting to add to the modern allure. For those who love to entertain, a modern, rustic bar on the ground floor, again part of another large open plan flow is a delightful addition, with direct access to the backyard through large sliding doors that can be opened significantly, creating free passage to the outdoor sun glazing patio, here you will see a generously sized, low-maintenance tropical backyard complete with well-kept gardens and a tidy veggie patch, providing a private oasis for relaxation. Sit back and listen to the waves crashing onto the sandy coastline of Forster's iconic One Mile Beach.
