A comfortable classic home with character hardwood floors and elegant French windows gives you a great start in a gateway location near Monash Fwy, Mazenod College and the coming \$60million upgrade of Brandon Park Shopping Centre. Set on a flat 650sqms (approx.) with a blank canvas rear yard, there's scope for a potential new build (STCA) in this family friendly district surrounded by parks and sporting venues including the Lum Reserve Tennis Club and archery range at Freeway Reserve. While you consider the opportunity, the home offers bright, easy living with 3 bedrooms, 2 bathrooms and an enclosed sunroom as a versatile 2nd living area. A central kitchen features a breakfast bar, gas cooktop and skylight, with a spa bath in the main bathroom, and reverse cycle split system units and a space heater in the front lounge. With updated fencing, a carport and big grassed area out back, the future is yours to explore on meandering Brandon Park Dve, close to schools, shops and transport connections including the bus to Monash University and The Glen, and the popular Waverley Park Lake and playground.
