Location, quality, space and versatility are all but a few of the many positives associated with this superb home. You are not going to find anything remotely as good as this. Comprising four large bedrooms, a huge master bedroom with walk in robe & full ensuite. The remaining bedrooms all have BIRs and serviced by a superbly modern bathroom with a bathtub. The kitchen will blow you away and is equipped with stone bench tops with waterfall, 900mm stainless steel appliances, dishwasher and plenty of cabinetry even the fussiest cooks will adore. The free-flowing dining area is flooded with natural light and is a joy to hang out, relax and entertain. If you have a big family or lots of guests, then open the sliding doors and let the party spill out to the backyard. There is also a wonderful alfresco area. Other features include ducted heating, evaporative cooling, double garage with remote control. What's your next move?
