A remarkable family home located in the sought after Headland Park estate. This much larger than standard home allows an enviable lifestyle with all the creature comforts, set on a flat, fully fenced 784m² allotment. High ceilings and plenty of natural light create a real feeling of space as soon as you walk through the front door. Large separate living zones are a welcome feature of the home - the second and smaller of the living areas currently in use as a pool room! A family sized kitchen, with plenty of bench space and quality inclusions is central to the home, adjacent the formal and informal dining areas, and overlooking the recently extended outdoor entertaining zone. All bedrooms are doubles, the main featuring a large ensuite and direct access outside. The oversized double garage is set back to allow plenty of space for any extra vehicles, with a purpose built hard standing area for the caravan or boat. This home is located in Headland Park, walking distance to Immanuel College (pre-school right through to Year 12) for the kids and Immanuel Gardens for the grandparents, there's a park just down the street and the locally famous Shothouse Cafe a short walk from the front door. It's a quick 5 minute drive to the beach, Sunshine Plaza or Buderim Village. Centrally located and always popular, it's the perfect spot for the family.
