Character Rich, Brick and Tile Residence with Endless Possibilities

This home's rich character inspires a range of compelling possibilities in a prized family-friendly inner-city setting. Nestled amongst the brick facade hides a residence incorporating large living spaces with generous proportions and classic features.

Families will discover that there are endless recreational opportunities close by with the property just moments from the Bull & Tourle Street Reserve and Stevensons sports park. It is also located near quality schools and your choice of major shopping retailers such as Coles, Woolworths, and Aldi. Added convenience is that it is just minutes to the Mater Hospital and University- perfect for your weekend's entertainment.

Key features:

- Original Three-bedroom brick and tile residence.
- High ceilings and good-sized bedrooms
- Retro style kitchen with meals area and formal lounge room
- Large oversized single garage with side driveway access and carport
- Close to high quality schools, easy walk to parks, and public transport
- A short drive to major shopping retailers, popular cafes, and only 15mins to Newcastle's prized beaches and CBD.

Ideal for a first-home buyer or renovator looking for a great opportunity close to all the desired amenities that an inner-city location has to offer. Contact us today for your inspection.
