Experience the perfect blend of comfort and convenience in this exquisite 4-bedroom, 2-bathroom family home located at 84 Gympie View Drive, Southside. This low set brick property sits on a sprawling fully fenced corner allotment of over 1,099 sqm. The interior is impressively designed with an open plan living area that promises ease and functionality. It further boasts a dedicated media room equipped with a projection screen for your entertainment needs. A large office space makes it ideal for those who operate a home business or prefer to work from home. All bedrooms are fitted with built-in robes while the master bedroom features a walk-in robe and an ensuite. For added comfort throughout the seasons, ducted air conditioning is installed throughout the house. A unique aspect of this property is its 'Children's Wing' which features three bedrooms, a lounge area and bathroom; offering privacy and ample space for children or guests alike. Step outside to find an east-facing undercover entertainment area - perfect for social gatherings or tranquil afternoon relaxation. The spacious double garage comes with remote control access for ease of use. The property is conveniently located close to local schools, shopping centers and public transport options; making daily routines hassle-free. This exceptionally maintained family home offers not just a place to live but also provides various lifestyle possibilities tailored to meet your every need.
