Welcome to this gorgeous 1980's home in a beautifully quiet location in Newstead. Behind the pristine white façade and established front garden is a large, light and bright family home featuring 4 bedrooms and 3 bathrooms. All of the work has been done to this home. It is move in ready but there still remains potential for your own finishing touches. The real bonus of this home is its 2 living spaces, one of which could be utilised as a kids play room, a home office or gym or games/movie room. The expansive living area has an open plan design and is home to a well appointed kitchen with all stainless steel appliances including a Smeg oven, dishwasher and gas cooktop. There is ample storage, including a built in pantry. The main bedroom is extra large in size and boasts a beautifully finished ensuite – the epitome of a master retreat after those long days at work. Two additional bedrooms upstairs share a very well appointed family bathroom. Summer evenings will see you sitting on the front alfresco with views to the mountains enjoying a cold glass of wine or a refreshing cup of tea. Other highlights include fully ducted electric heating/cooling system to keep you warm as toast in winter and cool in summer. There is an added bonus of a working fireplace in the downstairs living area so you can spend those chilly winter evenings toasting marshmallows and reading a good book by the fire. An expansive 4 car garage will house your cars and any number of toys including a boat, jetski, camper trailer or bikes. The rear yard is a tiered blank canvas ready to add your veggie garden and fruit trees. Council rates: \$495 p/q approx. Water rates: \$270 p/q approx. House size: 232m² (including garage) Land size: 698m².
