This well-kept home, located in the sought-after Harpley estate, offers a great opportunity for families and investors alike. Featuring plenty of natural light and a modern open-plan layout, it provides comfortable living for families at an affordable price. The Best • Indulge in the luxury of four bedrooms, two bathrooms, and a study for added convenience and versatility. • This home features spacious, high ceilings, along with split air-conditioning for optimal climate control. The kitchen boasts a sleek 900ml cooktop and range hood, complemented by a stylish stone benchtop, adding both functionality and elegance to the space. • Nestled near parks, playgrounds, schools, and childcare facilities, with convenient freeway access, this property promises to leave a lasting impression during inspection. The Rest • This delightful home boasts a range of features for your comfort and convenience, including split systems in all bedrooms and living areas. Double garage with remote control access, and a tasteful neutral colour scheme throughout. • Quality fixtures and fittings, from the window furnishings to the light fixtures and flooring. • A low maintenance back garden that requires minimal upkeep while still offering aesthetic appeal and functionality.
