Just why Mount Hawthorn is the suburb of choice for so many home buyers is pretty evident. It offers the lifestyle so many are searching for with its leafy tree-lined streets, beautiful homes, myriad cafes, and restaurants, all right on the City fringe and just 15 minutes from stunning beaches. Now we offer you the chance to build the dream for yourself and those you love. For those with children, there are top schools close at hand. For executives, when convenient access to the freeways and the CBD is top of your list, you've got that here. For retirees, well, it's the perfect spot to just really enjoy life. With building plots becoming harder to acquire, time is running out. To find a 'Green Titled' block with street frontage, well, it's almost impossible. Don't miss out on the opportunity to invest in this amazing sought-after neighbourhood and design the perfect home that meets all your unique needs. It really is 'The Stuff Of Dreams'.
