This amazingly good looking & stylish home will have you thinking - thinking you should inspect it before anyone else does! Set in the quietest of residential locations where no car passes your door assuring you of all the privacy you'll ever want. Not 18 months old and still under builders warranty, this almost 'to good to be true" home comprises three beautiful bedrooms, a huge luxury ensuite, a light catching living room and an irresistible & functional, jaw dropping kitchen. Internal access from garage to house is a winner also. The rear yard is pretty much a blank canvas and sometimes that's not a bad thing - plenty of room for a bigger shed too, if desired and you can enjoy outdoor living from your sheltered alfresco area. You can get your hands on this adorable home for \$748,000
