This home can only be described as absolutely next level. Who would have thought that such a unique opportunity would present itself right here in our Town! Boasting a combination of no less than 4 separate formal and informal light filled living areas where dinner parties and family celebrations will be etched in your memories. The kitchen is an absolute chef's delight , featuring thick stone benches, and ample cupboards complemented by the walk-in pantry and the separate galley. Home office/study is well positioned. Upstairs two of the spacious bedrooms feature access to the "Jack and Jill bathroom," while another bedroom contains its own private bathroom. The master bedroom is best described as resort -style. Included is a large walk through robe and dressing room, huge ensuite with spa bath, and a separate enclosed parent's retreat, perfect morning coffee location or that final nightcap before retiring. Serene parkland views are provided via a secondary balcony. Back downstairs you can venture outside and you'll find a covered Alfresco perfect for Summer BBQ gatherings and the kids will enjoy the secure low maintenance playground equipped with Cubby house and basketball ring. Some of the many features include ducted heated, cooling, lots of storage space, remote double garage and huge solar panel system Situated just a stone's throw from our famous Spavin Lake reserve with bus transport nearby and within easy reach to child care, schools and all other amenities the Township has to offer.
