FIRST INSPECTION SATURDAY 27TH OF JAN This first-time buyers dream has been renovated throughout to surprise and delight. The stylish interior features a renovated bathroom with a walk-in double shower, a contemporary kitchen with sleek concrete island benchtop, and the timeless charm of newly polished boards. Here, there are no compromises on comfort, with ducted heating and cooling already installed for year-round temperature control. Towering trees, lush green grass, flowers and mature vines create a delightful border around the backyard. You'll be the envy of your friends while you entertain guests on the private alfresco, complete with your very own concrete BBQ benchtop. For those with trades, toys or just wanting more storage space, there is a small workshop plus a separate side access gate for secure van and trailer parking. The driveway alone is worth coming to see! Unlike many other first homes, 85 Chapple Street is ready to move into with nothing further to do. Don't miss the chance to make it yours.
