85 Clarke Street. Arguably the best rent buster in town!! With rental properties light on the ground, and with rent increasing in leaps and bounds, you can secure yourself a property and be your own landlord! The open plan kitchen/meals/living area has a modern kitchen with lots of bench space and cupboards, which is kept cosy in all seasons by the reverse cycle air-conditioner. The three carpeted bedrooms all have wall to wall built-in robes, giving the home lots of storage and the master bedroom has its own reverse cycle air-conditioner. You can sit out the front on the large timber deck and watch the sun go down or kick back and entertain friends and family on the large paved entertaining area. Other features include a single carport, large garden shed and established, well maintained gardens. This property is a fabulous and affordable starter home. Ring Jo for your private inspection now
