Showcasing a stunning modern renovation, this newly transformed home has been custom-made and extended to deliver a superb living space of contemporary flair. The freestanding dual-level home is very unique to Leichhardt and is adorned with high-end finishes, many cool design features and a layout for effortless in/outdoor living. For inner west families who love their living easy and their location perfect, this one is not to be missed, as it's easily accessible to MarketPlace Shopping Centre, Norton Street cafes, local schools, the cinema and transport options. A stunning renovation featuring top-of-the-range finishes and fittings. Generous design that includes a new upstairs accommodation level. Fold-out doors open onto a north-facing patio and grassed garden. Light-filled open living space and engineered herringbone flooring. A designer stone kitchen with quality appliances and breakfast bar. Separate formal lounge plus an air-conditioned upper-level master. Many retained original details include ornate ceilings and picture rails. Close to the Bay Run, Aquatic Centre and the City-West Link to the CBD.
