This low maintenance, 3 bedroom hidden gem is easily missed when driving along its quiet street as she is set back from the road, surrounded by glorious gardens and is the perfect little spot for a couple to enjoy all our tropics have to offer. Located just a street from the Bowen Foreshore with walking tracks, coffee spots, fish and chips, hotels and pure beauty plus a short walk to the CBD, not only will you be saving on time but also fuel as you will no longer need your car! Featuring snippets of Queenslander charm with high set, sloping ceilings and open spaces, yet renovated to perfection to suit our modern-day lifestyles. Brand new vinyl plank flooring will be featured in the living and kitchen areas by the end of Jan. Airconditioning throughout the home plus ample storage with built-ins in bedrooms PLUS a walk-in-robe featured in the main room. The spacious kitchen leads on to a quaint patio overlooking a 1012m² block of sprawling lush, green grass back yard with a famous Bowen Mango tree sitting pretty over the 4 x 2m garden shed. A recent installation of a 6m x 6m car garage with tilt electric door makes car/boat/bike storage a breeze or for the bigger vessels or machines there is a concrete slab at the back for easy parking.
