This house is made for easy living - both inside and out. The colour scheme is neutral throughout with vinyl flooring in the living spaces and carpet in the bedrooms. The living room has a heat pump and morning sun and adjoins the spacious eat-in kitchen which has just been repainted & has gas cooking and storage galore. Out to the sunny back deck, this is the perfect spot to relax whilst still being able to watch the kids play in the flat back yard or catch up with family or friends. Separate bath, shower & toilet and laundry has also had a repaint. Very little gardening to do means more time on the weekends or for tinkering in the garage - loads of storage with single garage and carport plus garden shed. Walking distance to schools with shops and bus stop at your front door, this three bedroom home offers convenience and low maintenance. 12-month lease, pets on application (cats only), available now.
