This charming family home is the perfect place to settle down. With a spacious light filled living room, open plan dining room/second living and gourmet kitchen, there is plenty of room for entertaining guests or relaxing with your family. The 3 spacious bedrooms all have BIR, plus separate WIR and polished floorboards and are served by the large luxurious central bathroom which is sure to impress. The bifold doors in the second living area open out to the huge rear deck ideal for entertaining, overlooking the landscaped backyard. The garage has space for 2 cars, with an additional 4 open parking spaces for guests. Situated on a 558 sqm block of land, with potential to develop (STCA) and conveniently located close to Bayside Fitness Centre, schools, parkland, multiple shopping centres, Newport train station and public transport, this really does offer it all. Take this opportunity to make this house your own. Don't miss out on this fantastic opportunity to own a beautiful home in Altona North.
