EXPRESSIONS OF INTEREST

Bimbadeen Estate is set on 14 stunning acres in Hunter Valley Wine Country with Northerly views as far as the eye can see. A successful accommodation business of six self-contained villas, a federation cottage for the owners to live in, an in-ground pool and two acres of Shiraz – there isn't much it doesn't offer. It is located one hour (59km) from Newcastle, two hours (168km) from Sydney and is within walking distance to a famous French bistro on the nearby hillside as well as other cellar doors. Catering to couples, the villas are studios with kitchenettes, balconies, gas fireplaces and spa baths and are also kept comfortable by reverse-cycle air-conditioning. A concrete in-ground pool is just one of many places to sit and relax overlooking the vineyard and vine clad hills in the distance. A further original farmhouse provides owner or manager accommodation which is privately set on the other side of the road but still offering breathtaking views. This home offers two bedrooms, a large bathroom and kitchen and a covered outdoor entertaining area. A small 2 acre Shiraz vineyard is the perfect size to be interesting but not onerous, as is a small established olive grove. A large machinery shed and converted garage provide ample storage. Inspection by private appointment.
