Walking distance to the beach and the shops make this location one of the best. A rare opportunity to secure a large vacant block, and a big one at that - more than 900 sqm. Centrally located on a corner block, options available to build your dream home, or subdivide and build two (STCC) - the choice is yours! Whether it's the dream home, or a home away from home - Kingston is the perfect location for settling down or catching the sunsets and salty sea air.
