0452073877

\$650,000 - \$700,000

The past, the present and the future are all enticingly represented by this rewarding property – and they create a great combination for all sorts of reasons. Traditional lines, pleasing proportions and a block offering ideal depth. As a 'move in and enjoy' opportunity, the appeal is conveyed by a floor-plan that's inviting, low-maintenance and equipped to continue meeting current day needs. Generous living/dining areas and an open-plan kitchen precede three bedrooms, a central bathroom, separate laundry and spacious studio. From a future perspective, the potential to explore possibilities of taking even greater advantage of the allotment's size, (subject to council and relevant approvals), is certainly tempting. A substantial carport and secure garden shed complete today's picture while proximity to Central Square shopping, Altona Meadows Primary School, parks and freeway access enhances tomorrow's prospects.
