THE DEAL 'Hornby House' LSA Architects x Project Build Projects. This newly renovated freestanding Victorian home seamlessly blends modern living with luxury and functionality. Beyond the gate, a block-fronted facade adorned with intricate lacework welcomes you, setting the tone for the elegance within. As you step inside, you are greeted by a hallway embellished with stunning stucco plasterwork and French oak floors. This inviting space leads to two spacious bedrooms, each thoughtfully designed with built-in robes, ornate ceiling roses, plantation shutters, and charming period fireplaces that add warmth and character. The lavish bathroom is a sanctuary of style and comfort, boasting floor-to-ceiling tiles, a striking mirror, brushed brass tapware, and luxurious underfloor heating. Every detail has been carefully considered to create a space that is both functional and beautiful. In the expansive living area, a stone feature island takes center stage, providing a focal point for gatherings and everyday living. This area is complemented by custom steel sliding doors and elegant linen sheers that add a touch of sophistication. The high-end kitchen is a chef's dream, featuring top-of-the-line Miele appliances, a Fisher and Paykel fridge, and a Miele dishwasher. The brushed brass theme continues throughout, adding a cohesive and stylish touch. The design also includes ample pantry space through a well-appointed butler's pantry, as well as a convenient laundry room with soft-close drawers and an additional sink. Double-glazed windows throughout the home ensure that natural light fills every corner, creating a bright and welcoming atmosphere. Upstairs, plush wool carpets lead you to a spacious master bedroom that exudes luxury. This retreat features custom hotel-style walk-in wardrobes, providing ample storage and a touch of opulence. The master bathroom is equally impressive, with dual sinks, high-end fixtures, and a design that invites relaxation. Sheer curtains frame picturesque views of Windsor's rooftops, adding a serene and tranquil element to the space. Outside, the private outdoor area is a perfect extension of the indoor living spaces. It features modwood decking, which is both durable and stylish, and beautifully established gardens that provide a peaceful retreat. This space is ideal for entertaining guests or simply enjoying a quiet moment in the fresh air. The home is equipped with state-of-the-art amenities to ensure comfort and security. Hydronic heating provides efficient warmth, while Daikin air conditioning ensures a pleasant climate year-round. A comprehensive security system offers peace of mind. SEALS THE DEAL Experience luxury living in the heart of Windsor with this stunning Victorian masterpiece. Every detail has been meticulously crafted to offer a home that is both beautiful and functional, providing an unparalleled living experience in one of the area's most desirable locations.
