Jodie Menadue and Barry Plant Drouin are proud to present this high end family home with gated side access, situated in the ever sought after Jackson's View Estate. Offering a great floor plan that allows for easy living, the home consists of four spacious bedrooms, two separate living zones, two bathrooms and an over-sized double car garage – providing ample accommodation for any prospective buyer. Upon entering the home you are greeted by a cozy front living zone and the spacious master bedroom featuring a fully fitted walk in robe and ensuite with stone benches, double basin, double shower and separate toilet. Moving further through the home you will find the open plan lounge and dining area, all overlooked by the lavish kitchen with an island stone bench top and breakfast bar, stainless steel appliances, double sink and expansive walk in pantry. The remaining three bedrooms all have built in robes and are serviced by the main bathroom, which features stone benches, double basin, bath tub, shower and separate toilet. Creature comforts include ducted heating, split system cooling, ceiling fans in all bedrooms, high ceilings and doors, sheers and roller blinds throughout, all walls are insulated and Opticom hard wired internet. The home has a fantastic integration between indoor and outdoor living, with stacker doors leading to the undercover alfresco area – showcasing amazing views out to the Baw Baw Ranges and well manicured backyard. There is gated side access and enough space available for the boat, caravan and toys to be stored as well. The location is second to none, with full access to the residents Country Club, which includes a 25 metre heated pool, gymnasium, function room and kitchen with just a short stroll to the parkland and Drouin town centre.
