Built in 2001, this home is exceptional in that it offers 4 or 5 bedrooms for the large family and is uniquely situated on the edge of township surrounded by Pristine grazing properties. A perfect location with lots of room to move. Other desirable features include solar grid connected power, solar hot water & ability to run the house fully on rainwater, backing on to the Amy Gillet bike / walk way is great for those wishing to keep fit. The home has a spacious feeling and has 9' high ceilings. The Kitchen was renovated a few years ago featuring Caesar Stone tops & splash backs all electric appliances & generous country size pantry. Open plan meals / family room opens to fully paved and covered all year round entertaining area, overlooking large stock paddock & colorful established gardens & lawns. Off street parking is more than adequate with double carport with auto roller door plus 6m x 9m Garage / Workshop as well as sundry shedding. Grow your own veggies in the well set up & netted raised beds & lots of room for pets or even a pony. Great Central Hills Location 5 mins to Woodside 40 mins to city for commuters.
