As a current solid investment option or attractive future owner-occupier opportunity, this property has much to offer including proximity to a choice of parks and amenities. It is leased to a reliable tenant until 16/11/2024. The home design was well-chosen and positioned to enable convenient wide gated vehicle, boat or RV access to the spacious and private side and backyards of the roomy lot. Inside, the stylish home reveals a great floorplan ideal for family living. The sweeping vinyl timber floored entry hall flows to a delightful, natural sunlit master suite, with a fully-fitted out walk-in robe and separate toilet ensuite. Nearby is a great activity or media zone and handy double garage access. Hidden around the corner at the end of the entry and overlooking the alfresco and yard, is the fabulous open living and dining area, with an reverse cycle air-conditioner and an extensive, quality galley kitchen. Entertain friends or dish up a family feast. The kitchen has the lot from copious amounts of storage and benchspace to a five-burner 900mm oven. Tucked away from it all in the rear family wing are three bedrooms and a modern laundry, with good built-in storage, and a stylish bathroom. This property is in-vogue, very functional and situated in a popular suburb. For more detailed information or to arrange a private viewing please contact Greg Pearson on 0418 959 584.
