A fantastic location being offered here with this beach block perched in the heart of the township and walking distance to the water. If you are looking for the perfect spot to build the next dream holiday home then take a stroll on this block. A level block with trees scattered throughout but mostly towards the rear of the block leaving plenty of open space to build. The block has fencing down three sides and level throughout. Being within walking distance of shops, eateries and the Lions Park foreshore means you'll only have to jump in the car for a quick trip to the Ninety Mile Beach. Well worth an inspection in such a great spot!*****CShell Real Estate does not warrant, guarantee or make any representations regarding the currency, accuracy, correctness, reliability, usability or any other aspect, of the material presented on the CShell Real Estate Website and it is recommended that prospective purchasers and users of the website make their own enquiries and seek independent legal advice in relation to the subject property.
