Put on your finishing touches to this quiet village cottage. The home has a new ColorBond roof and re-stumped with steel stumps. Open the french doors off the verendah and enjoy the natural timber floors. The inside of the home needs finishing with materials supplied to help you do so. The home has a lounge room with wood heater, 3 good sized bedrooms and a galley kitchen ready to install. A great opportunity to make this little beauty your own. Don't miss this opportunity
