What a fantastic property being offered here! Build towards the rear of the block and open up the view over Lake Reeve! Situated just down the road from the causeway leading across to the 90 Mile Beach a keen fisherman will love the easy access from here. The block is level towards the front and slopes up at the rear. The great opportunity with a corner block gives plenty of ways for the design of the home having two street frontage access into the block. The block has already been surveyed. If you are looking for an outlook and both proximity to shops the BP Service Station and Loch Sport Bakery are a casual work from here. Contact our office today or take a stroll when you are visiting next! *****CShell Real Estate does not warrant, guarantee or make any representations regarding the currency, accuracy, correctness, reliability, usability or any other aspect, of the material presented on the CShell Real Estate Website and it is recommended that prospective purchasers and users of the website make their own enquiries and seek independent legal advice in relation to the subject property.
