This huge grand old lady is unique! On a massive 1635m<sup>2</sup> corner block with two street access, fully fenced and gated. There are 3 - 4 bedrooms, two with ensuites, air-conditioning and fans. Most opening out to the huge verandahs that are around the whole house. There are so many rooms in this huge home you can literally get lost! There is tons of storage, all ornate ceilings, polished wood floors. So much potential to build in underneath. So hard to describe, an inspection is a must to see everything this charming home offers! Call me now, Kerrie 0401 575 274.
