This acreage with sheds is located in a peaceful quiet location approximately 15 minutes out of the Ingham township. It has an area of 2.22 hectares (over 5 acres). Serviced by water tanks & power. There is a fenced area for cattle or horses also located on the property. It currently has just had the construction of a PodHouse approved for the property with similar to the attached photo to be erected on the property - footings are already in place for this addition with it to be built up on posts. There are existing kennels and as there are no current boarding kennels in town this is therefore a great new business opportunity that has that required zoning. For further details on the property, or the district, or to arrange an inspection contact the action team at Felix Reitano Real Estate. The Reitano Family have been selling in the Hinchinbrook district since 1923 - they look forward to assisting you with your next purchase !
