This three bedroom brick house is a great family home with polished floorboards, as new carpet, window furnishings and paintwork. Overlooking the Tamar River there are views of the river and mountains beyond from multiple rooms. The living spaces are flexible; a lounge with wood-heater and loads of all day sun; the entrance area with heat pump that makes a great office/playroom and the dining room off the open kitchen. There is loads of storage - built-ins in all bedrooms & hall, under the house and in the single garage. The back yard is private and has plenty of room for the kids to play or sit around the firepit. Up top the large deck with expansive views is ideal for entertaining or simply relaxing. Less than a 10-minute drive to schools and Riverside Shopping Complex. Pets on application, 12-month lease, available 12th July 2024. Call today to find out more about this great family home.
