\$800,000

If you are a first homebuyer or trades person wanting to work from home then this one goes to the top of your list. This stylish recently renovated brick veneer home provides all of that and more just waiting for its new owner, offering 3 airy bedrooms with master having fully fitted robe system, family friendly central bathroom in tip top condition, which will whisk all on their way in the morning. Discover a modern and inviting galley style kitchen with stainless steel appliances, soft closing draws and dishwasher, which will be a breeze for any budding chef. Polished boards throughout kitchen, lounge room and meals area provide for a chic feel to the overall presentation of the home. While the massive 10mx5.4m approx workshop and office can cater for all of those looking to work from home or added storage which is hard to find. This winning combination comes with modern and bright colour scheme for easy living and entertaining. Additional features include gas ducted heating, electric hot water, water tank, only minutes to local schools, transport and shops. All enhanced by mature shrubs and plants on a large level allotment with ample space for all your needs.
