Architecturally designed sunny home.

All day sun streams into the open plan living room resplendent with cathedral ceilings.

Imagine taking up residence in this newly built stylish home. No expense has been spared in the use of the latest quality fittings. The kitchen and bathrooms are stunning.

MinD's principal Architect David Au from Melbourne is gaining quite a reputation in the Tasmanian market with innovative, contemporary designs.

The architect's attention to detail is evident in every detail including the extensive use of glass. This combined with a neutral colour palette and high ceilings gives the home an expansive feeling.

Internal access from garage.

Situated in a fast growing new homes area this property is just a few minutes from Kingston and 15 minutes to Hobart.
