Situated in a serene location at 87 Greenhills Drive, Blackbutt, this low set brick home offers four bedrooms, three with built-in wardrobes and one that can be used as a small bedroom or an office. The house features raked ceilings, a cosy lounge room with a wood heater, a dining area with cork tiles, and a functional kitchen with a pantry. The bathroom has a separate shower and bath, as well as a new toilet. The house is fully secured with screens on the windows and doors, and has a newly painted front verandah. At the back of the house, there is a recently constructed entertainment area that only needs some finishing touches with concrete or tiles. The house is supplied with water from a large concrete tank. The property also boasts a double carport with shade sails adjacent to the house, and a 20x40 powered garage with a lock up door. There is another open double carport, and a pen for dogs or horses with a 500-gallon zinc tank. The two paddocks are fenced with dog proof wire, and there is a large dam at the back of the property. A spacious green house and proximity to town add to the appeal of this property. ALL THIS ON 5.13 ACRES! Don't miss this opportunity to view this property!
