This immaculately presented family home is located within close walking proximity to the Parkhill Shopping precinct, P-9 Timbarra College and local parklands, in this sought after, North Side Berwick location. This freshly painted and carpeted 4-bedroom home is ready to welcome its new family. When entering the home, you will appreciate the neutral colour palate and the abundance of natural light throughout. The large formal lounge is a perfect space for family gatherings, or a private retreat with double entry doors. The kitchen and dining are the hub of the home, well-appointed with a gas stove top, wall oven, large pantry and plenty of bench space. A further 3 bedrooms with a family bathroom and laundry compliment the rest of this family home, allowing a zone for everyone to enjoy and create their own space. The alfresco is your own private oasis, overlooking a mature garden with timber deck, you are sure to enjoy sitting out here throughout the year, enjoying the beautiful sunshine or the gentle sound of rain. Other features include a remote double garage, evaporative cooling and ducted heating throughout. This location is brilliant, due to the array of public and private schools, freeway access and the proximity to Berwick and Beaconsfield Townships
